Cloverleaf Garden Club

Congratulations from the District 15 board and the members of our societies and clubs on the occasion of your **80th Anniversary**.

Your club and its members have shown a passion for gardening which is seen in, and by, your community when you hold plant sales, do public garden maintenance and lead all the other activities that you do each year. Your efforts also help to educate others on how to garden and to learn the joy that gardening offers.

Our mission is to beautify our community including the homes, parks and gardens within it. Your membership has achieved this time and again over the years. The volunteer work done by your members demonstrates your success.

You should be proud of the seed planted 80 years ago by your founders that has blossomed into the club you've become today. I'm sure your future efforts will show many more accomplishments.

Congratulations to all your members and your club. Let's celebrate and continue our focus on **Keeping Ontario Beautiful**®!

Happy Anniversary!

Regards and continued success,

A handwritten signature in black ink that reads "Doreen Coyne". The signature is written in a cursive style.
